COMPANY

Established in 2002, Paris United Group stands as a trusted multi-channel wholesale and retail distributor in Qatar, consistently captivating the heart of Qatar, with its premium quality products and services.

We pride ourselves on fostering a culture of innovation, ensuring that our customers and dedicated team of employees experience continuous growth. Paris United Group, backed by decades of industry experience and expertise, assures a harmonious blend of quality, trust, and progress.

VISION

Empowering our community through innovative and sustainable living, fostering a thriving environment for our cherished customers and dedicated employees.

MISSION

To exceed customer expectations by delivering a diverse array of premium products of unwavering quality and to cultivate a dynamic, inclusive workplace that nurtures the professional growth and well-being of our employees.

Our Group Of Companies

Welcome to the world of fresh possibilities! We Maharib Foods take pride in introducing our distribution services, offering a diverse selection of locally and imported fruits and vegetables. From farm to your table, we prioritize freshness and quality.

OUR PRODUCT RANGE

We offer a wide gamut of fresh fruits & vegetables which include Apples, Banana, Citrus, Herbs items, Stone fruits, Table fruits Wholesome Vegetables.

We are engaged in supplying a wide quality of fruits & vegetables to our clients.

Stringent quality tests are conducted to ensure the freshness and quality of our fruits & vegetables.

Establish partnerships with local farms, international suppliers, and wholesale markets to procure a wide variety of fresh produce. This involves selecting high-quality fruits and vegetables, negotiating prices, and ensuring a consistent supply chain.

Maintain spacious, temperature-controlled storage facilities to preserve the freshness and quality of the produce. Proper handling, sorting, and storage techniques are crucial to prevent spoilage and maintain shelf life.

Serve a diverse client base, including grocery stores, supermarkets, restaurants, cafeterias, and individual consumers. Manage logistics for both wholesale and retail operations, ensuring timely deliveries and efficient supply chain management.

Implement rigorous quality control measures at every stage, from procurement to delivery, to guarantee freshness, safety, and adherence to food safety standards of all fruits and vegetables.

Prioritize customer satisfaction by offering personalized services, accommodating special requests, and providing information on seasonal produce.
